

### **About These Correspondence Files**

---

- These files are all scans of paper correspondence records kept by the National Headquarters in Knoxville. They were collected by the 85th President of the Kansas Gamma Chapter, Nick Divilbiss, who spent days in Knoxville combing through their files in December 2023.
- It is vital that these records be preserved, as they help to tell the story of the Kansas Gamma Chapter, so please do not delete them, and ensure that they are also always uploaded to the Chapter's Google Drive account for safekeeping.
- Reach out to Nick Divilbiss with any questions about these records. His number was (913) 832-9917 at the time this was written (February 2024), and he should be a member of the Kansas State Tau Beta Pi Alumni Network on LinkedIn. If you cannot find him there, then ask the K-State Alumni Association how to contact him.
